

LODGE SUCCESSION PLANNING

Without committing yourself in any way, would you please indicate on the enclosed form the role(s) that would/might interest you in the future. The Committee will be able to put this information to good use and make appropriate plans in the coming years.

Please note:

- That whilst it is common practice for many of these offices to be filled by Past Masters, being a Past Master is not an essential criterion and no-one should be dissuaded from offering their services.
- To be eligible to serve as Master of the Lodge you will either have served as Warden or be a Past Master. In each case it is likely that you will have also served the subordinate offices such as Deacon and IG.
- For service as Warden it is preferred that you will have served the subordinate offices mentioned above.
- Where interest is shown an indication of timescale would be most helpful to the Committee.

YOUR NAME:

Office	Interested or not? (YES or NO)	Comments (if any e.g. timescales)
